

I passed the *Bra* exam?

Well, that's what her marketing department wrote. Actually, she was the newest lawyer at the firm and had just passed the *Bar* exam, but nobody found the error until it was in print and on its way to a thousand media outlets.

Don't let this happen at your firm. Have the expert editors at Proofread*NOW* find the subtle mistakes in everything you write, including press releases, newsletters, Web articles, brochures, announcements, invitations, legal briefs, and more.

Relax. We'll support you.
